MEMORANDUM FOR THE RECORD

Morning Meeting of 22 May 1968

DD/I advised that he had found no indication that the Agency had been asked to provide Congressman Chamberlain with information on shipping to North Vietnam.

Godfrey drew attention to a telegram from Ambassador Thompson speculating on the meaning of Kosygin's visit to Czechoslovakia in terms of the Soviet internal situation.

Godfrey advised the Director that progress is being made on the paper on international student ferment being prepared for Walt Rostow.

Maury briefed on his session yesterday with Congressman Rivers and reminded that we owe him a paper on OXCART developments.

A-DD/S&T reported that an SR-71 made a 60 percent cloud-free pass over North Vietnam last night.

A-DD/S&T advised that the OXCARTs are scheduled to return in early June.

[REDACTED]

DDCI advised that there is no need for a pre-USIB meeting.

The Director asked Godfrey to provide him with a paper on the Haitian situation before noon today.

The Director briefed on the prospects for B-52 strikes around [REDACTED] in Laos and asked Carver and DD/P for precise information on what the loss of [REDACTED] would mean for enemy infiltration through Laos.
